“ I don't even know where to start. I miss you so much grandma and think about you everyday. It's still so unreal to me. You were the rock of the family and without you we are hurting. You were the best grandma ever. Filled with so much care and love for anyone. I cherish the memories I have with you so much. I'm going to miss going to your house and seeing my papi and you sitting on the couch eating ice cream. You always wanted us to swim and had everything ready for us, our towels, ice cream and made sure to make us food. As much as it hurts I'm so happy you are in heaven with your sons and granddaughter and no longer in pain. Look over me grandma. Te quiero mucho grandma
